

Icelandic Club of Greater Seattle | P.O. Box 70102 | Seattle, WA 98127

## ICGS Scholarship Application Form

Scholarships are awarded to graduating high school seniors that wish to attend a college or university in the fall of 2021 or plan to further hone their trade at a certified institution. Students must be of Icelandic ancestry and have parents or grandparents who have been dues-paying members of the Club for at least the last 2 consecutive years. This means they were members during the application year and at least one year prior. What's different this year is that all of last year's memberships were automatically renewed at no charge.

A limited number of scholarships may be available. If a selection must be made between applicants, decisions will be based on the students' academic achievements in high school, extracurricular activities, community service and the overall quality of each application package. If more space is needed, please use a second page. Also send a recent picture of yourself with the application which we will use with an announcement of the winners. Scholarship awards will be made directly to the college or university to help cover tuition and fees.
