

Icelandic Club of Greater Seattle | P.O. Box 70102 | Seattle, WA 98127

## Scholarship Application Form

Scholarships are awarded to graduating high school seniors that will attend a college or university in the fall of 2017. Students must be of Icelandic ancestry and have parents or grandparents who have been dues-paying members of the Club for 2 years or more. This means they were members during the application year and at least one year prior.

A limited number of scholarships may be available. If a selection must be made between applicants, decisions will be based on the student's academic achievements in high school, extracurricular activities, community service and the overall quality of each application package. If more space is needed, use a second page. Please send a recent picture of yourself with the application which we will use with an announcement of the winners. Scholarship awards will be made directly to the college or university to help cover tuition and other fees.
